Connecting generations.

# BRUNSWICK BILLIARDS. WHERE FAMILY TIME AND QUALITY TIME MEET.

In 1845, John Moses Brunswick set out to build the world's best billiards tables. Applying his formidable craftsmanship, a mind for innovation, boundless energy and a passion for the game, he created a table and a company whose philosophy of quality and consistency would set the standard for billiard table excellence.

Even more impressive, he figured how to bring families together. And keep them that way.

That's because Brunswick Billiards tables — the choice of presidents and sports heroes, celebrities and captains of industry for more than 167 years — have proven just as popular with moms and dads, children and teens, friends and family. Bring a Brunswick into your home and you have a universally-loved game that all ages will enjoy, and a natural place to gather, laugh, share and enjoy each other's company.

When you buy a Brunswick, you're getting more than an outstanding billiards table. You're getting a chance to make strong and lasting connections, now and for generations to come.

Connecting generations.

# EXPOSITION NOVELTY

The Exposition Novelty™ table was originally introduced in 1878. With its superb workmanship, exquisite and elaborate inlays, and elegantly carved legs, it represented the contrast between the decade's sophisticated culture of innovation and the country's untamed West. Brunswick Billiards has chosen to revive the Exposition Novelty in a limited edition of 25 tables to celebrate and honor its 165th anniversary. Each table includes a limited edition matching cue rack and cue. This table's heritage design speaks to a bold era of art and culture in America and around the world. Its elegance finely represents how Brunswick has been connecting generations of billiard enthusiasts throughout its 165-year history.
